CASE NO. CV 08 1365 CW (EMC)

**AGREEMENT OF COMPROMISE AND
SETTLEMENT**

Arnesha Garner and State Farm Mutual Automobile Insurance Company, by and through
their undersigned Counsel, hereby enter into this Agreement of Compromise and Settlement,
subject to the approval of the United States District Court for the Northern District of California,
pursuant to Federal Rule of Civil Procedure 23.

1 The undersigned Parties hereby stipulate and agree that, in consideration of the promises
2 and covenants as set forth in this Agreement and upon the occurrence of the Effective Date, this
3 Action shall be fully and finally settled and compromised upon the following terms and
4 conditions, subject to Court approval.

5 **1. Background**

6 1.1. From approximately March 12, 2007 until approximately February 18, 2008,
7 State Farm California claims representatives used Total Loss Comparable Vehicle Valuation
8 Reports, provided by Mitchell, in connection with their handling of vehicle physical damage
9 claims by State Farm California insureds that used a Projected Sold Adjustment and/or Age of
10 Ad Adjustment.¹

11 1.2. On March 10, 2008, Plaintiff filed the above-captioned Action seeking to recover
12 for (1) breach of contract, (2) breach of the implied covenant of good faith and fair dealing,
13 (3) violation of California Business and Professions Code § 17200 and (4) unjust enrichment.
14 Plaintiff alleged that State Farm violated Title 10 of California Code of Regulations § 2695.8
15 (the “Total Loss Regulation” or “TLR”) by using Total Loss Comparable Vehicle Valuation
16 Reports that used a Projected Sold Adjustment and/or Age of Ad Adjustment in connection with
17 its handling of Total Loss Vehicle claims in California. Plaintiff filed her First Amended
18 Complaint on July 7, 2008.

19 1.3. State Farm denies the allegations of the Complaint and further alleges that (1) the
20 TLR was not in effect during the relevant time frame, (2) the Total Loss Comparable Vehicle
21 Valuation Reports used by State Farm during the relevant time frame complied with the TLR,
22 (3) State Farm has complied with its contractual obligations to Plaintiff and other members of the
23 Settlement Class in connection with its valuation of Total Loss Vehicles; and (4) State Farm
24 made payments to Plaintiff and Settlement Class Members that reflected the actual cash values

25 ¹ State Farm has also identified 57 Total Loss Comparable Vehicle Valuation Reports that
26 Mitchell provided to State Farm California claim representatives in San Diego prior to March 12,
27 2007, the date when Mitchell became State Farm’s primary total loss vendor, that also included a
28 Projected Sold Adjustment and Age of Ad Adjustment. Those State Farm insureds who received
payments in connection with total loss vehicles pursuant to these 57 Total Loss Comparable
Vehicle Valuation Reports are included in the Settlement Class for all purposes.

1 of their Total Loss Vehicles. Although State Farm believes that this Action is without merit, it
2 has concluded that resolving these claims under the terms of this Agreement is desirable to
3 reduce the time, risk and expense of defending the Action and to resolve finally and completely
4 the Action and all of the Released Claims.

5 1.4. On April 14, 2008, State Farm made a Motion to Compel Contractual Appraisal
6 and for a Stay Pending Appraisal. On June 30, 2008, the Court entered an order granting the
7 motion. The Court held that State Farm “had the contractual right to demand an appraisal, and
8 Plaintiff had the contractual obligation to proceed with the appraisal process. Pursuant to the
9 terms of the contract, this was a precondition to Plaintiff’s filing a lawsuit.” (June 30, 2008
10 Order at 14-15.) The Court further found that the appraisal process provided for in State Farm’s
11 insurance policy was not one-sided, was sanctioned by state statute and was not unconscionable.
12 (*Id.* at 18-19.)

13 1.5. On November 20, 2008, State Farm made a Motion for Summary Judgment
14 seeking a judicial determination that the TLR was not in effect during the relevant time frame.
15 On December 4, 2008, Plaintiff made a Cross-Motion for Summary Adjudication, seeking a
16 judicial determination that the TLR was in effect during the relevant time frame. On March 23,
17 2009, the Court entered an order denying State Farm’s motion, granting Plaintiff’s motion, and
18 holding that the TLR was in effect during the relevant time frame. (March 23, 2009 Order at
19 17-19.)

20 1.6. On September 20, 2009, Plaintiff moved for certification of the following class:
21 “All individuals insured by State Farm California under a State Farm private passenger vehicle
22 policy between March 12, 2007 and February 18, 2008: (1) who received a first party total loss
23 settlement or settlement offer based in whole or in part on the ‘projected sold price’ of
24 comparable vehicles; and/or (2) whose settlement or settlement offer was reduced to account for
25 the difference between the date on which a comparable vehicle was advertised for sale and the
26 date of loss of the claimant’s vehicle (known as the ‘age of ad’ adjustment).” State Farm filed its
27 opposition to class certification on October 1, 2009. The issue has been fully briefed, but not yet
28 decided by the Court.

1.7. After analyzing the relevant facts and applicable law, recognizing the burdens, risks, uncertainties, time and expense of litigation, as well as the advantages of terms and procedures for a fair and efficient resolution of Settlement Class Members' claims under this Agreement, Plaintiff, Class Counsel and State Farm have concluded that this Agreement is a fair, equitable and just resolution of the Released Claims.

28

1 3.2. State Farm conditionally agrees and consents to certification of the Settlement
2 Class pursuant to Federal Rule of Civil Procedure 23 for settlement purposes only, and for the
3 sole purpose of creating the Settlement Class. State Farm's agreement is contingent upon (1) the
4 Parties' execution of this Agreement, (2) the Court's approval of this Agreement and (3) the
5 occurrence of the Effective Date. If this Agreement is, for any reason, not approved or the
6 Effective Date does not occur, State Farm reserves its right to reassert all of its objections and
7 defenses to certification of any class, and neither Plaintiff nor proposed Class Counsel will offer
8 State Farm's conditional agreement to certification of the Settlement Class as evidence in
9 support of a motion to certify any class.

10 3.3. Plaintiff will request that notice and an opportunity to request exclusion from the
11 Settlement Class be provided to all persons within the Settlement Class. State Farm will not
12 oppose such request.

13 **4. Preliminary Approval**

14 Plaintiff, proposed Class Counsel and State Farm shall promptly submit this Agreement
15 and Settlement to the Court and jointly request that the Court enter a Preliminary Approval
16 Order substantially in the form attached hereto as Exhibit 2:

17 4.1. certifying the Settlement Class pursuant to Federal Rule of Civil Procedure 23 for
18 purposes of Settlement only;

19 4.2. preliminarily approving the Settlement;

20 4.3. setting a date for the Fairness Hearing, no earlier than 90 days after notice of this
21 proposed Settlement is provided to the CDI and the Attorney General of the United States,
22 pursuant 28 U.S.C. § 1715, to determine (a) whether the proposed Settlement should be
23 approved as fair, reasonable and adequate to Settlement Class Members, (b) whether Final
24 Judgment should be entered dismissing with prejudice the Action and any other actions filed by
25 Settlement Class Members, and (c) whether Class Counsel's application for fees and expenses
26 should be approved;

27 4.4. approving the Notice Plan;

28

1 4.5. prescribing a period of time during which persons within the Settlement Class
2 may file Requests for Exclusion;

3 4.6. providing that any objections to the Agreement, the Settlement or Class Counsel's
4 application for an award of attorneys' fees and expenses shall be considered by the Court at the
5 Fairness Hearing only if, on or before a date to be specified in the Preliminary Approval Order,
6 the Settlement Class Member making any objection shall mail a copy of their written
7 objection(s) and/or notice of intent to appear at the Fairness Hearing (any of which shall set forth
8 briefly each objection and all reasons and substantiation therefore) to the Administrator;

9 4.7. providing that, pending final determination of whether the Settlement should be
10 approved, neither the Plaintiff, nor any Settlement Class Member, either directly,
11 representatively, or in any other capacity, shall commence or prosecute any action or proceeding
12 in any court or tribunal asserting any of the Released Claims against the Released Parties.

13 **5. Notice Plan**

14 5.1. Within 5 business days following entry of the Preliminary Approval Order, State
15 Farm shall deliver to the Administrator a list that includes the names, addresses, and State Farm
16 Claim Numbers of all potential Settlement Class Members. For each potential Settlement Class
17 Member, State Farm shall include the most current mailing address that is in State Farm's system
18 as the address in its list.

19 5.2. The Administrator shall run the addresses provided by State Farm through the
20 National Change of Address database, and shall use the most current address reasonably
21 available to the Administrator. If a notice is returned to the Administrator with a forwarding
22 address, the Administrator will re-send the notice and update its database to reflect the updated
23 address information for that Settlement Class Member. It is agreed by the Parties that this
24 procedure constitutes an appropriate effort to locate current addresses for Settlement Class
25 Members. No additional efforts shall be required.

26 5.3. Within 25 days following entry of the Preliminary Approval Order, the
27 Administrator shall mail, or cause to be mailed, copies of the Settlement Notice, substantially in
28 the form attached hereto as Exhibit 1, by first class United States mail, postage prepaid, to all

1 potential Settlement Class Members at the most recent address obtained by the methods
2 described above.

3 5.4. The names, addresses, telephone numbers, and any other personal identifying
4 information of all potential Settlement Class Members and Settlement Class Members shall be
5 kept confidential by the Administrator and not disclosed to any person except as ordered by the
6 Court upon good cause shown and shall be used only for the purposes of this Agreement.
7 Whenever in a report, the Administrator or any other Party needs to identify a specific claim, it
8 can refer to the claim by State Farm Claim Number, which is not required to be redacted from
9 publicly available documents.

10 5.5. The Administrator shall file with the Court a report on efforts undertaken to
11 implement the Notice Plan at or before the Fairness Hearing. Copies shall be provided to Class
12 Counsel and State Farm.

13 5.6. All expenses incurred in connection with the Notice Plan shall be paid from the
14 Gross Settlement Fund.

15 **6. Requests for Exclusion**

16 6.1. Any person within the Settlement Class definition who wishes to be excluded
17 from the Settlement Class must mail a written Request for Exclusion from the Settlement Class
18 to the Administrator by the deadline established in the Preliminary Approval Order (“Opt-Out
19 Deadline”). The Parties will ask the Court to establish an Opt-Out Deadline no later than 45
20 calendar days following the date on which the Settlement Notice is first mailed by the
21 Administrator. Any Request for Exclusion must be signed by the person seeking exclusion, or
22 the authorized representative of an entity seeking exclusion, and must clearly state his, her or its
23 desire to be excluded from the Settlement Class, and include his, her or its name, address and
24 telephone number. Any person within the Settlement Class definition who mails a Request for
25 Exclusion to the Administrator may withdraw such Request for Exclusion, and thus elect to be
26 included as a Settlement Class Member, at any time prior to the Opt-Out Deadline.

27 6.2. The Administrator will promptly provide unredacted copies of any Requests for
28 Exclusion, and any withdrawals thereof, to State Farm and Class Counsel. On the date of the

1 Fairness Hearing, the Administrator will submit to the Court, under seal, a report identifying all
2 persons making Requests for Exclusion that were not thereafter timely withdrawn and the date
3 on which each request was postmarked (or if there is no legible postmark date, the date received
4 by the Administrator). A copy of the report will be provided to State Farm and Class Counsel,
5 who will keep the report confidential.

6 6.3. Any person within the Settlement Class definition who does not file a timely
7 Request for Exclusion from the Settlement Class, or who timely withdraws a Request for
8 Exclusion, shall be deemed a Settlement Class Member for all purposes under this Agreement;
9 provided that a valid and timely Request for Exclusion made by any co-insured on a Subject
10 Insurance Policy binds all other co-insureds on the same insurance policy.

11 **7. Objections to Settlement**

12 7.1. Any Settlement Class Member may object to the proposed Settlement. The
13 Settlement Class Member, or personal counsel retained at the Settlement Class Member's
14 expense, must mail the objection to the Administrator by the deadline established in the
15 Preliminary Approval Order ("Objection Deadline"). The Parties will ask the Court to establish
16 an Objection Deadline no later than 45 calendar days following the date on which the Settlement
17 Notice is first mailed by the Administrator. Objections must be in writing and must provide a
18 detailed description of the nature and basis for each objection, the Settlement Class Member's
19 name, address and telephone number and, if represented by personal counsel, counsel's name,
20 address, and telephone number. Prior to the Fairness Hearing, the Administrator will file with
21 the Court any timely objections received, and will promptly provide unredacted copies of any
22 timely objections received to Class Counsel and State Farm.

23 7.2. Any Settlement Class Member may appear at the Fairness Hearing, either in
24 person or through personal counsel, retained at the Settlement Class Member's expense, to voice
25 an objection to the Settlement, if the Settlement Class Member has filed a timely objection
26 pursuant to paragraph 7.1, or to comment on the Settlement. Settlement Class Members or their
27 attorneys who wish to appear at the Fairness Hearing must make such a request in writing and
28 mail it to the Administrator prior to the Objection Deadline. The written request to appear must

1 include the name, address and telephone number of the person who will appear at the Fairness
2 Hearing and a copy of the written objection to the Settlement. Prior to the Fairness Hearing, the
3 Administrator will file with the Court any timely written requests to appear received, and will
4 promptly provide unredacted copies of any timely written requests to appear received to Class
5 Counsel and State Farm.

6 7.3. Any Settlement Class Member who fails to comply with the provisions of
7 paragraphs 7.1 and 7.2 shall waive and forfeit any and all rights he, she or it may have to appear
8 separately and/or object to or comment on the Settlement.

9 **8. Gross Settlement Fund**

10 8.1. State Farm shall pay or cause to be paid to the Administrator the total sum of \$15
11 million (the "Gross Settlement Fund") in full and final settlement of the Released Claims against
12 the Released Parties. \$500,000 shall be paid by State Farm within 5 business days after entry of
13 the Preliminary Approval Order. This \$500,000 shall constitute the Administrative Cost Reserve
14 and may be used by the Administrator to pay the cost of Notice and other Administrative Costs.
15 State Farm shall pay the balance of \$14.5 million within 10 business days following the Final
16 Judgment. This shall be the exclusive monetary obligation of State Farm in connection with the
17 Agreement and the Settlement and Plaintiff and Class Counsel agree that they shall not seek any
18 further money, funds or other remuneration from State Farm in connection with this Settlement,
19 whether for attorneys' fees, litigation expenses, Administrative Costs, or anything else. Under
20 no circumstances shall State Farm be liable for any sums in excess of the Gross Settlement Fund;
21 except as provided in paragraph 8.8.

22 8.2. It shall be the duty of the Administrator, or any successor administrator, to
23 distribute the Gross Settlement Fund in accordance with the orders of the Court and to file or
24 cause to be filed all necessary tax returns or other necessary reports regarding the administration
25 of the Gross Settlement Fund, and to carry out the other duties of the Administrator as set forth
26 in this Agreement. The Administrator shall hold the Gross Settlement Fund subject to the
27 Court's supervision, in a segregated, interest-bearing account at a financial institution with more
28 than \$20 billion in assets in an account or accounts insured by an agency or agencies of the

1 United States government, with insurance that exceeds the amounts deposited. The account shall
2 be designated the “Garner Settlement Fund.” Such account shall satisfy the requirements of
3 Treas. Reg. § 1.468B-1(h).

4 8.3. The Gross Settlement Fund shall be deemed at all times a “qualified settlement
5 fund” within the meaning of Treas. Reg. § 1.468B-1 and Section 468B of the Internal Revenue
6 Code (“Code”). The Administrator, and any successor administrator, shall comply with all
7 requirements applicable to such qualified settlement fund, including all requirements under
8 section 468B of the Code, the treasury regulations promulgated thereunder and any comparable
9 provisions of state or local tax laws, shall take all actions necessary to create and maintain the
10 status of the Gross Settlement Fund as a qualified settlement fund for federal, state and local
11 income tax purposes, and shall take no action that will adversely affect the qualification of the
12 Gross Settlement Fund as a qualified settlement fund for federal, state and local income tax
13 purposes. In addition, if requested by State Farm, the Administrator, and any successor
14 administrator shall join with State Farm in the timely filing of a “relation-back election” (within
15 the meaning of Treas. Reg. § 1.468B-1(j)(2)) with respect to the Gross Settlement Fund.
16 Pursuant to such election, the Administrator, or any successor administrator, shall comply with
17 all of the requirements contained in Treas. Reg. § 1.468B-1(j)(2) that apply to such election. It
18 shall be the responsibility of the Administrator, or any successor administrator, to prepare and
19 deliver timely and properly the necessary documentation for signature by all necessary parties
20 and thereafter to cause the appropriate filing to occur.

21 8.4. For the purpose of Section 468B of the Internal Revenue Code, and the treasury
22 regulations promulgated thereunder, the Administrator, or any successor administrator, shall be
23 the “administrator” (as defined under Treas. Reg. § 1.468B-2(k)(3)) of the qualified settlement
24 fund. The Administrator, or any successor administrator, shall timely and properly file all
25 informational and other tax returns necessary or advisable with respect to the Gross Settlement
26 Fund (including, without limitation, the returns described in Treas. Reg. § 1.468B-2(k) and
27 1.468B-2(1)). Such returns (as well as the election described in paragraph 8.3 of this
28 Agreement) above shall be consistent with this section 8 and in all events shall reflect that all

1 taxes (including any interest, penalties, or additions to tax (“Taxes”)) on the income earned by
2 the Gross Settlement Fund shall be paid out of the Gross Settlement Fund as provided herein.

3 8.5. All Taxes arising with respect to the income earned on the Gross Settlement
4 Fund, including any Taxes that may be imposed upon State Farm with respect to any income
5 earned by the Gross Settlement Fund for any period during which the Gross Settlement Fund
6 does not qualify as a “qualified settlement fund” for federal and state income tax purposes, any
7 withholding Taxes on distributions from the Gross Settlement Fund, and all expenses and costs
8 incurred in connection with the operation and implementation of this section 8 (including,
9 without limitation, expenses of a tax attorney or consultant and mailing and distribution costs
10 and expenses relating to filing, or failing to file) any return described in this section 8 of this
11 Agreement (“Tax Expenses”), shall be paid out of the Gross Settlement Fund as Administrative
12 Costs.

13 8.6. Upon the Effective Date, State Farm shall not have any liability or responsibility
14 for the Taxes or the Tax Expenses imposed on or related to the Gross Settlement Fund. The
15 Administrator, or his successor, shall indemnify and hold State Farm harmless for Taxes and Tax
16 Expenses (including, without limitation, Taxes payable by reason of such indemnification).
17 Furthermore, any such Taxes and Tax Expenses shall be treated as, and considered to be,
18 Administrative Costs of the Settlement and shall be timely paid by the Administrator or any
19 successor administrator out of the Gross Settlement Fund without prior order from the Court, and
20 the Administrator or any successor administrator shall be obligated (notwithstanding anything
21 herein to the contrary) to withhold from distribution to Settlement Class Members any funds
22 necessary to pay such amounts and shall be required to establish adequate reserves for any Taxes
23 and Tax Expenses (including, without limitation, any amounts that may be required to be
24 withheld under Treas. Reg. § 1.468B-2(1)(2)); State Farm is not responsible and shall have no
25 liability therefore and shall be indemnified and held harmless therefore. The Administrator or
26 any successor administrator is permitted to retain the services of a tax attorney or consultant to
27 the extent reasonably necessary to carry out the provisions of this section 8. The Parties agree to
28 cooperate with the Administrator or any successor administrator, each other, and their tax

1 attorneys and accountants to the extent reasonably necessary to carry out the provisions of this
2 paragraph.

3 8.7. The Administrator shall make distributions and payments from the Gross
4 Settlement Fund as provided in this Agreement and pursuant to orders of the Court. No
5 payments may be made from the Gross Settlement Fund prior to the Effective Date except for
6 costs associated with implementation of the Notice Plan and other Administrative Costs.

7 8.8. Administrative Costs shall be paid by the Administrator from the Gross
8 Settlement Fund. If the amount of the Administrative Cost Reserve is insufficient to pay the
9 Administrative Costs of the Settlement, State Farm will make a further contribution to the Gross
10 Settlement Fund sufficient to cover reasonable and necessary Administrative Costs approved by
11 the Court.

12 **9. Net Settlement Fund**

13 9.1. The Net Settlement Fund is the Gross Settlement Fund, minus (a) the
14 Administrative Cost Reserve; (b) the amount that the Court awards Class Counsel as attorneys'
15 fees and litigation expenses; and (c) any amount awarded to the Plaintiff by the Court pursuant to
16 paragraph 13.3 (collectively, the "Deducted Amounts").

17 9.2. The Net Settlement Fund shall be distributed to Settlement Class Members in
18 amounts proportional to the total combined dollar amount of the Projected Sold Adjustments and
19 Age of Ad Adjustments on their Subject Valuation Reports for their Total Loss Vehicles. The
20 Administrator is not required to make payments to Settlement Class Members for whom current
21 address information is unavailable after completion of the steps described in section 5 and such
22 Settlement Class Members shall not be included in the calculation of the Settlement Factor.

23 9.3. The formula that will determine the amount of each Settlement Class Member's
24 payment is as follows: The Settlement Factor shall be the amount of the Net Settlement Fund
25 divided by the aggregate Age of Ad Adjustments and Projected Sold Adjustments for all Subject
26 Valuation Reports of all Settlement Class Members (except as provided in paragraph 9.2). The
27 combined Projected Sold Adjustment and Age of Ad Adjustment for each individual Subject
28

1 Valuation Report shall be multiplied by the Settlement Factor to determine the amount to be paid
2 to a Settlement Class Member based upon that Subject Valuation Report.

3 9.4. After being notified by the Administrator that all Deducted Amounts, except for
4 the Administrative Cost Reserve, have been expended, and provided with the amount of the Net
5 Settlement Fund, State Farm shall prepare a Distribution Plan that includes for each Settlement
6 Class Member: (a) the State Farm Claim Number and (b) the amount to be paid to the Settlement
7 Class Member in accordance with this section, and provide such Distribution Plan to Class
8 Counsel.

9 9.5. Once State Farm and Class Counsel agree upon the Distribution Plan, they shall
10 submit it to the Administrator with a joint letter stating that State Farm and Class Counsel agree
11 that the Distribution Plan is accurate and complies with the formula set forth in this Agreement.
12 If State Farm and Class Counsel disagree over the Distribution Plan, then any disputes shall be
13 resolved by the Court and the Distribution Plan shall be furnished to the Administrator with a
14 joint letter indicating that the Distribution Plan has been approved by the Court. Within 30 days
15 after receipt of the Distribution Plan and joint letter from State Farm and Class Counsel, the
16 Administrator shall distribute the Net Settlement Fund to Settlement Class Members in
17 accordance with the final Distribution Plan. Payments to Settlement Class Members shall be
18 accompanied by a Supplemental Notice substantially in the form attached hereto as Exhibit 4.
19 Nothing in the Supplemental Notice is intended or written to be used, and cannot be used by the
20 Settlement Class Member, as federal tax advice or for the purpose of avoiding tax-related
21 penalties under the Internal Revenue Code or applicable state or local tax law provisions. Five
22 days after the settlement checks are sent, the Administrator shall send a postcard reminder to
23 Settlement Class Members notifying them that they should have recently received a check.

24 9.6. Any check to a Settlement Class Member that is returned to the Administrator
25 with a forwarding address will be re-sent to the address provided and the Administrator's
26 database will be updated with the current address information. If any check to a Settlement
27 Class member is uncashed 45 days after the date of the instrument, the Administrator shall send a
28 reminder letter to that Settlement Class Member. If any checks to Settlement Class members

1 whose settlement checks are at least \$50 in amount remain uncashed after 60 days, the
2 Administrator will attempt to contact such persons by telephone. Any check that is returned as
3 undeliverable, with no forwarding address, or still uncashed 90 days after the date of the
4 instrument, shall revert pursuant to paragraph 9.7 of this Agreement.

5 9.7. After distribution of the Net Settlement Fund, any amount remaining in the
6 Administrative Cost Reserve, and any settlement checks sent to Settlement Class Members that
7 are undeliverable after 90 days of the date of the instrument or not cashed by Settlement Class
8 Members within 90 days of the date of the instrument, pursuant to paragraph 9.6 of this
9 Agreement, will revert as follows:

10 9.7.1. To the extent the total gross amount of the unused Administrative Cost
11 Reserve, undeliverable settlement checks, and uncashed settlement checks are greater
12 than \$250,000, such funds shall be divided and distributed in the same proportions as
13 their prior payments among the Settlement Class Members who cashed their settlement
14 checks.

15 9.7.2. To the extent the total gross amount of the unused Administrative Cost
16 Reserve, undeliverable settlement checks, and uncashed settlement checks are less than
17 \$250,000, such funds shall become part of a cy pres fund to be distributed evenly among
18 the Volunteer Legal Services Program (via the BASF Foundation) and Bay Area Legal
19 Aid.

20 9.7.3. To the extent there is a secondary distribution to Settlement Class
21 Members pursuant to section 9.7.1 and any secondary distribution checks are not cashed
22 by Settlement Class Members within 90 days of the date of such instruments, the gross
23 amount of such uncashed secondary distribution checks shall revert pursuant to the same
24 parameters set forth in sections 9.7.1 and 9.7.2, as shall any amounts remaining from any
25 subsequent distributions to Settlement Class Members pursuant to this subsection (i.e.,
26 settlement funds remaining 90 days after each subsequent distribution shall be
27 redistributed proportionately to Settlement Class Members who cashed their initial
28 settlement checks until the amount of the remaining settlement funds is less than

1 \$250,000, at which time the remaining settlement funds shall become part of a cy pres
2 fund to be distributed evenly among the Volunteer Legal Services Program (via the
3 BASF Foundation) and Bay Area Legal Aid).

4 9.8. It is understood and agreed that no Party shall have responsibility or liability with
5 respect to any acts, omissions, or any conduct of the Administrator in connection with the
6 administration and distribution of this Settlement, including, but not limited to providing Notice
7 to and responding to inquiries from Class Members, managing the Gross Settlement Fund,
8 paying Taxes and Tax Expenses, and distribution of the Net Settlement Fund.

9 **10. Liens**

10 10.1. The Supplemental Notice will advise Settlement Class Members that, by
11 negotiating (i.e., cashing, depositing or endorsing) the check sent to them pursuant to the
12 Settlement, they shall be deemed to represent and warrant that they do not owe any money to any
13 person or entity who provided financing for the Total Loss Vehicle that was the subject of the
14 claim for which they are receiving a payment pursuant to this Settlement or to any other person
15 or entity with a security interest in the Total Loss Vehicle, a lessor of the Total Loss Vehicle, or
16 a lien on any insurance payments that the Settlement Class Member may receive for such Total
17 Loss Vehicle. The Supplemental Notice will advise Settlement Class Members that, if they
18 cannot make this representation and warranty, they should contact that Administrator, who will
19 re-issue payment jointly to the Settlement Class Member and any relevant lender, lien holder or
20 lessor. The Supplemental Notice will advise Settlement Class Members that knowingly making
21 a false representation may constitute insurance fraud.

22 10.2. Each Settlement Class Member who cashes, deposits, endorses, or otherwise
23 negotiates any check from the Administrator for his, her or its share of the Net Settlement Fund
24 will be deemed to have agreed to hold harmless and indemnify the Released Parties from any
25 and all liens, assignments, subrogation, encumbrances, garnishments, security interests or any
26 other legally perfected right of another person with respect to any amounts to be paid to that
27 Settlement Class Member by State Farm as a result of this Agreement.

1 **11. Other Provisions**

2 11.1. In its March 23, 2009, Order, the Court found that the “CDI [had] informed
3 Mitchell that the agency would be satisfied if Mitchell used the midpoint of the [DMV VLF
4 Data] range in conducting [total loss] valuations.” (March 23, 2009 Order at 10.) The Court
5 further found that “the \$200 dollar range of sales prices that can be derived from the DMV’s
6 VLF codes constitute[d] sales price data” that could be used by insurers as actual sales price data
7 for comparable vehicles in performing total loss valuations pursuant to the TLR. The Court
8 noted that “the CDI takes the position that VLF data relates to ‘actual sales prices,’ and thus can
9 be used to conduct valuations in accordance with the TLR,” that CDI had indicated that the
10 mid-range of the VLF Data could be used, and that “the \$200 [VLF] range . . . is suitable and is
11 accepted by the agency in charge of enforcing the TLR.” (*Id.* at 13.)

12 11.2. As part of the consideration for this Agreement, State Farm is giving up its right
13 to appeal the Court’s ruling that the TLR was in effect when it paid Plaintiff’s claim. As
14 additional consideration, State Farm agrees that, with respect to claims administered in
15 California, within thirty (30) days following the Effective Date, Mitchell (or any other total loss
16 vendor that State Farm may in the future use) will use any one or some combination of the
17 following for comparable vehicles used by Mitchell (or any other total loss vendor) when
18 preparing a Total Loss Comparable Vehicle Valuation Report for State Farm: (i) the high point
19 of VLF Data obtained from the DMV, or (ii) actual sales prices from other sources compliant
20 with the TLR, or (iii) the asking price of advertised vehicles (without a projected sold or age of
21 ad adjustment). State Farm will continue to require the company that provides it with Total Loss
22 Comparable Vehicle Valuation Reports in California to use either the high point of DMV VLF
23 Data, actual sales prices from other sources compliant with the TLR, or the asking price of
24 advertised vehicles (without a projected sold or age of ad adjustment), or a combination thereof,
25 when preparing a Total Loss Comparable Vehicle Valuation Report for use by State Farm in
26 California in connection with vehicle total loss claims made under the Physical Damages
27 Coverages of automobile policies administered in California until (1) a change in the law
28 (including, without limitation, any changes to applicable regulations, case law or CDI statements

1 interpreting those regulations, or constitutional challenges to the validity of the regulations)
2 requires or permits use of a different method of computation, or (2) State Farm is instructed to
3 use a different method of computation by the CDI or any court of law.

4 **12. Release, Waiver and Covenant Not to Sue**

5 12.1. Upon the Effective Date of this Agreement, in consideration of this Settlement
6 and the benefits extended to the Settlement Class pursuant to this Agreement, all Settlement
7 Class Members release and forever discharge the Released Parties from any and all Released
8 Claims.

9 12.1.1. Upon the Effective Date of this Agreement, the Released Parties are not,
10 and in the future shall not be, subject to liability or expense of any kind to Settlement
11 Class Members with respect to any of the Released Claims. The provisions of this
12 Agreement shall be the exclusive remedy of all Settlement Class Members against the
13 Released Parties. Upon the Effective Date, each Settlement Class Member shall be
14 forever barred from asserting any of the Released Claims against any of the Released
15 Parties. Settlement Class Members expressly agree that this release shall be, and may be
16 raised as, a complete defense to and will preclude any action or proceeding encompassed
17 within the terms of this release.

18 12.1.2. Upon the Effective Date of this Agreement, each Settlement Class
19 Member shall be deemed to have covenanted and agreed (a) that he, she or it will forever
20 refrain from instituting, maintaining or proceeding against any Released Party on any
21 Released Claim, including Released Claims known and not now known, suspected, or
22 claimed, that he, she or it has or hereafter may have against the Released Parties; and
23 (b) that he, she or it releases the Released Parties from each and every such Released
24 Claim.

25 12.2. Settlement Class Members acknowledge and agree that the Released Claims
26 include claims that Settlement Class Members do not know or suspect to exist in their favor at
27 the time of the release of the Released Parties and which, if known by them, might have affected
28 their decision to settle and release the Released Claims or take any other action, including, but

not limited to, the decision not to object to this Agreement. Settlement Class Members expressly waive any and all rights that they may have under any statute, regulation, administrative adjudication, or common law principle that would limit the effect of the Release provided in this Agreement to the claims actually known or suspected to exist at the time of this Agreement, including the provisions of Section 1542 of the California Civil Code, which provides as follows: "GENERAL RELEASE-CLAIMS EXTINGUISHED. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

13. Attorneys' Fees and Expenses; Award to Class Representative

13.1. The amount of attorneys' fees and litigation expenses to be paid to Class Counsel shall be determined by the Court. Class Counsel agrees to seek attorneys' fees, exclusive of their litigation expenses, in an amount not to exceed the 30 percent of the Gross Settlement Fund. In addition, Class Counsel agrees to seek litigation expenses in an amount not to exceed approximately \$400,000. State Farm agrees that it will not oppose Class Counsel's request for attorneys' fees and litigation expenses; provided that they do not exceed the amounts stated in this paragraph 13.1. Attorneys' fees and litigation expenses awarded by the Court to Class Counsel pursuant to this paragraph will be paid from the Gross Settlement Fund. Settlement Class Members who are personally represented by their own attorneys in connection with the Settlement shall be responsible for the fees and expenses of their individual attorneys.

13.2. Payment to Class Counsel of all Court awarded attorneys' fees and litigation expenses shall occur within 5 business days of the Effective Date.

13.3. Class Counsel may petition the Court for payment of an award to Plaintiff to compensate her for the effort, time and expense spent by her in connection with the prosecution of this action. Plaintiff and Class Counsel agree that they will not seek an award in excess of \$20,000, payable to Plaintiff. State Farm agrees that it will not oppose Plaintiff's and Class Counsel's petition for an award to Plaintiff; provided that it does not exceed the amount stated in

1 this paragraph. Any amount awarded by the Court to Plaintiff pursuant to this paragraph will be
2 paid from the Gross Settlement Fund.

3 **14. Final Judgment**

4 14.1. If the Settlement is approved by the Court following the Fairness Hearing, the
5 Parties shall request that the Court enter a Final Judgment, substantially in the form attached
6 hereto as Exhibit 3:

7 14.1.1. confirming certification of the Settlement Class pursuant to Federal Rule
8 of Civil Procedure 23;

9 14.1.2. finding that notice was provided to the Settlement Class in accordance
10 with the Preliminary Approval Order and that the Notice Plan fully satisfies the
11 requirements of Federal Rule of Civil Procedure 23 and due process;

12 14.1.3. finding that notification to appropriate federal and state officials was given
13 in accordance with the Class Action Fairness Act of 2005, 28 U.S.C. § 1715;

14 14.1.4. approving the Settlement as fair, reasonable and adequate to Settlement
15 Class Members in accordance with Federal Rule of Civil Procedure 23;

16 14.1.5. directing implementation of the Settlement in accordance with its terms;

17 14.1.6. dismissing with prejudice the Action;

18 14.1.7. providing that all Settlement Class Members conclusively compromise,
19 settle, discharge, dismiss and release the Released Claims;

20 14.1.8. permanently enjoining Settlement Class Members from initiating,
21 asserting, prosecuting, or litigating against the Released Parties any actions involving the
22 Released Claims;

23 14.1.9. providing that neither this Agreement, approved or not approved, nor
24 any exhibit, document or instrument delivered hereunder, nor any statement, transaction
25 or proceeding in connection with the negotiation, execution or implementation of this
26 Agreement, shall be admissible in evidence for any purpose in this or any other
27 proceeding, except that this Agreement and any order granting preliminary or final
28 approval of this Agreement, will be admissible for the purpose of obtaining approval of,

1 implementing and/or enforcing this Agreement and as otherwise provided in
2 paragraph 16.4;

3 14.1.10. reserving jurisdiction, without affecting the finality of the Final
4 Judgment, over implementation, administration and enforcement of the Settlement, and
5 other matters ancillary to the Settlement;

6 14.1.11. finding that the Final Judgment is a final judgment pursuant to Federal
7 Rule of Civil Procedure 54(a) or, alternatively, that there is no just reason for delay and
8 the Final Judgment is a final judgment pursuant to Federal Rule of Civil Procedure 54(b).

9 14.2. Entry of a Final Judgment approving this Agreement is a condition precedent to
10 the Parties' respective rights and obligations under this Agreement, except as provided in
11 paragraph 15.4.

12 **15. Termination**

13 15.1. State Farm shall have the right, in its sole discretion after reviewing the number
14 of opt-outs, objectors, and pending litigation, to nullify this Settlement if more than five percent
15 (5%) of the persons within the Settlement Class definition opt out of the Settlement. State Farm
16 may exercise this right within 10 business days after the Opt-Out Deadline. In order to invoke
17 this right, State Farm must file and serve by facsimile and U.S. Mail a document entitled Notice
18 of Nullification of Settlement. Neither the Plaintiff nor any Settlement Class Member nor Class
19 Counsel shall be permitted to seek enforcement of the Settlement or any of its terms against State
20 Farm should State Farm elect to nullify the Settlement pursuant to this paragraph.

21 15.2. Except as provided in paragraph 15.4, this Agreement shall terminate and become
22 null and void upon the occurrence of any of the following events:

23 15.2.1. State Farm exercises its right to nullify the Settlement as provided in
24 paragraph 15.1;

25 15.2.2. The Court refuses to certify the Settlement Class;

26 15.2.3. The Court denies preliminary approval of the Settlement;

27 15.2.4. The Court denies approval of the Settlement following the Fairness
28 Hearing;

1 15.2.5. Certification of the Settlement Class and/or approval of the Settlement is
2 reversed on appeal;

3 15.2.6. The CDI objects to this Settlement; or

4 15.2.7. The Effective Date does not otherwise occur for any reason.

5 15.3. If this Agreement should terminate or become null and void for any reason, then:

6 15.3.1. This Agreement and all negotiations and proceedings and releases relating
7 thereto shall be without prejudice as to the rights of any and all Parties to this Agreement,
8 and Parties to this Agreement shall be restored to their respective positions existing as of
9 October 29, 2009;

10 15.3.2. Plaintiff and State Farm shall jointly move that any order entered pursuant
11 to this Agreement be vacated and void and all findings withdrawn; and

12 15.3.3. All amounts remaining in the Gross Settlement Fund, together with
13 accrued interest, shall be returned to State Farm.

14 15.4. The following provisions survive termination of this Agreement: the last
15 sentence of paragraph 3.2, paragraph 5.4, paragraph 9.8, section 15, section 16, and paragraph

16 **16.5. No Admissions**

17 16.1. Neither this Agreement, nor any exhibit, document or instrument delivered
18 hereunder is intended to be or shall be construed as or deemed to be evidence of an admission or
19 concession by State Farm or the Released Parties of an interpretation of, or course of conduct in
20 connection with, the policy language and forms of the Subject Insurance Policies, or of any
21 liability or wrongdoing by State Farm, or of the truth of any allegations asserted by Plaintiff,
22 Settlement Class Members or any other person.

23 16.2. The Parties expressly acknowledge and agree that this Agreement, along with all
24 related drafts, motions, court papers, conversations, negotiations, mediations and
25 correspondence, including statements made in mediations or written submissions to the mediator,
26 constitute an offer to compromise and a compromise within the meaning of Federal Rule of
27 Evidence 408, California Rule of Evidence 1152 and any equivalent rule of evidence of any
28 state; and are privileged pursuant to Section 1119 of the California Evidence Code.

1 16.3. Except as provided in paragraph 16.4, neither this Agreement, approved or not
2 approved, nor any exhibit, document or instrument delivered hereunder, nor any statement,
3 transaction or proceeding in connection with the negotiation, execution or implementation of this
4 Agreement, shall be admissible in evidence in this or any other proceeding for any purpose,
5 including as evidence of an interpretation of, or course of conduct in connection with, the policy
6 language and forms of the Subject Insurance Policies. Without limitation of the foregoing,
7 nothing contained in this Agreement, approved or not approved, nor any exhibit, document or
8 instrument delivered hereunder, nor any statement, transaction or proceeding in connection with
9 the negotiation, execution or implementation of this Agreement, shall be given any form of *res*
10 *judicata*, collateral estoppel or judicial estoppel effect against State Farm or the Released Parties
11 in any administrative or judicial forum or proceeding.

12 16.4. Notwithstanding the foregoing, this Agreement, any order granting preliminary or
13 final approval to this Agreement and any appellate decision affirming Final Judgment is
14 admissible as provided in this paragraph.

15 16.4.1. This Agreement is admissible by any Party for the purpose of obtaining
16 approval of, implementing and/or enforcing this Agreement.

17 16.4.2. This Agreement, and any order granting preliminary or final approval of
18 this Agreement, any appellate decision affirming Final Judgment, and any proceedings
19 and submissions in connection with this Agreement are admissible for purposes of
20 determining Class Counsel's application for attorneys' fees and costs or in connection
21 with any appeal of an award of Class Counsel's attorneys' fees and costs in this Action.

22 16.4.3. This Agreement, any order granting preliminary or final approval to this
23 Agreement and any appellate decision affirming Final Judgment, may be pleaded by
24 State Farm or the Released Parties as a full and complete defense (including any defense
25 based upon release, *res judicata*, or injunction) to any action, suit or other proceeding

17 18.1. Class Representative, proposed Class Counsel and State Farm shall cooperate,
18 assist and undertake their best efforts to complete any actions implementing the terms of this
19 Agreement or any order of the Court related to the implementation of this Agreement.

20 18.2. Plaintiff, proposed Class Counsel and State Farm agree that the terms of this
21 Agreement were not based solely on the consideration provided, but were also based on
22 (a) vigorous arm's-length negotiations among counsel for the Parties; (b) the assessment of
23 counsel for the Parties of the strength and weaknesses of the claims asserted in the Action and
24 the Released Claims; and (c) the expense and burden of ongoing litigation.

25 18.3. The undersigned attorneys for Plaintiff represent and warrant that they have the
26 authority to enter into this Agreement on behalf of the proposed Class Representative.

27 18.4. State Farm represents and warrants that it has all requisite power and authority to
28 execute, deliver and perform this Agreement and to consummate the transactions contemplated
hereby. The execution, delivery and performance by State Farm of this Agreement and the

1 consummation by it of the actions contemplated hereby have been duly authorized by all

3 executed and delivered by State Farm's authorized agent.

4 18.5. State Farm, Plaintiff and proposed Class Counsel agree that they will not issue
5 any press releases or otherwise advise the press or media of this Agreement prior to Final
6 Judgment, but that they can respond to media inquiries. If this Agreement is approved by the
7 Court following the Fairness Hearing, State Farm and proposed Class Counsel agree that they
8 will attempt to issue mutually agreed upon, joint press releases announcing such approval. State
9 Farm and proposed Class Counsel agree that they will not make any statements on their
10 respective external websites regarding this Agreement.

11 18.6. Plaintiff and proposed Class Counsel agree that, within 30 calendar days after the
12 Effective Date, Plaintiff and her counsel will return to State Farm, Mitchell, and/or J.D. Power

14 Mitchell, and/or J.D. Power and Associates. As used herein, the term "materials" refers
15 inclusively to documents, both paper and electronic, depositions, deposition exhibits, CDs,
16 DVDs, data compilations, photographs and videotapes, of every sort, as well as all copies of any
17 such materials. If material required to be returned pursuant to this paragraph has been scanned,
18 transferred or otherwise input into any electronic database or network by Plaintiff or her counsel,
19 the material must be deleted from such database or network and proposed Class Counsel must
20 provide an affidavit to State Farm attesting to the material's deletion from the database or
21 network.

22 18.7. The headings of the sections and paragraphs of this Agreement are included for
23 convenience only and shall not be deemed to constitute part of this Agreement or to affect its
24 construction.

25 18.8. This Agreement constitutes the sole and entire agreement among the Parties with
26 regard to the subject of this Agreement and the Released Claims and supersedes any prior
27 negotiations, representations, promises or warranties (oral or otherwise) made by any Party or its

17 Agreement and the actions contemplated thereby.

25 application, action or proceeding to construe or enforce this Agreement shall be brought in the
26 United States District Court for the Northern District of California.

1 18.16. This Agreement may be executed in separate counterparts, each of which when so

IMPORTANT LEGAL NOTICE

**State Farm California Policyholders Who Received a
Vehicle Total Loss Payment from State Farm in 2007 or 2008**

A Proposed Class Action Settlement May Affect Your Rights

*The Court has authorized this notice. It is not a solicitation from a lawyer.
You are not being sued. Please read this entire notice carefully.*

This notice concerns a lawsuit filed by a State Farm policyholder against State Farm concerning State Farm's handling of claims by its California policyholders on total loss vehicles between approximately March 2007 and February 2008. The plaintiff in this lawsuit (called *Garner v. State Farm*) alleged, on behalf of herself and other State Farm policy holders who made vehicle total loss claims, that State Farm violated a California insurance regulation by using computerized valuation reports that included certain adjustments to the values of comparable vehicles used in the reports, and thereby breached its contracts with policy holders and violated California's Unfair Competition Law. State Farm denies the allegations and claims that it paid its policyholders what they were owed.

On _____, 2009, the court certified a class action in this lawsuit and preliminarily approved a proposed settlement of the class action with State Farm.

The court has not ruled on the merits of the Plaintiff's claims or on the defenses made by State Farm.

This notice and the lawsuit described in this notice may affect your rights. You may be a member of the class described in this notice and you may be entitled to share in the benefits of the proposed class action settlement described in this notice.

UNITED STATES DISTRICT COURT – NORTHERN DISTRICT OF CALIFORNIA

BASIC INFORMATION

1. Why did I receive this notice?

You received this notice because you may have made a vehicle total loss claim with State Farm in 2007 or 2008 that may be subject to the settlement reached in this lawsuit.

This notice explains:

- What the lawsuit and proposed settlement are about.
- What the lawsuit claims.
- Who is affected by the proposed settlement.
- What your legal rights and choices are.
- How to participate in the settlement.

The following is only a summary of the settlement. A full description of the settlement is contained in the settlement agreement. Nothing in this notice alters the terms of the settlement agreement. A copy of the settlement agreement may be obtained from: [Administrator contact information.]

2. Why is this a class action?

In a class action lawsuit, one or more people called “class representatives” sue on behalf of people who have similar claims. The people together are a “class” or “class members.” The court has determined that a settlement class provides for the fair and efficient resolution of this litigation.

All persons within the settlement class who do not exclude themselves will be bound by any judgments in the lawsuit, as well as the proposed settlement (if approved).

3. Why is there a settlement?

The proposed settlement provides a method to resolve the claims made in the lawsuit that takes into consideration the best interest of all involved parties. The proposed settlement was the result of extensive, arms-length negotiations between Class Counsel and State Farm, and is based upon a thorough examination of the facts and the law gained over years of litigation.

State Farm does not admit any wrongdoing or liability. The proposed settlement is a compromise of disputed claims and does not mean that State Farm is liable for the claims made in the lawsuit. If the settlement is approved by the court, class members will be entitled to participate in the settlement (and most are expected to receive a payment), but they will not be able to sue State Farm based upon the way their vehicle total loss claims covered by the settlement were previously handled by State Farm. You can only sue State Farm based upon the valuation of your total loss vehicle if you exclude yourself from the class. (See Question 10.)

4. Am I a member of the settlement class?

You are a member of the settlement class if you made a total loss vehicle claim under your State Farm policy and State Farm paid you based upon a computerized valuation report with one or both of the adjustments at issue in the lawsuit. The two adjustments at issue concerned (1) the price at which comparable vehicles were projected to sell, and (2) depreciation of the comparable vehicles. Reports with these adjustments were primarily used between March 12, 2007 and February 18, 2008. If you made a total loss vehicle claim between these dates, you are probably a member of the settlement class. Certain people who reside in or near San Diego and who received a vehicle total loss payment from State Farm between August 2006 and March 12, 2007 may also be members of the settlement class.

This is only a California class. The only total loss vehicle claims at issue were ones adjusted by State Farm in California.

UNITED STATES DISTRICT COURT – NORTHERN DISTRICT OF CALIFORNIA

**BENEFITS OF THE SETTLEMENT
HOW TO PARTICIPATE IN THE SETTLEMENT**

5. What are the benefits of the settlement?

If the settlement is approved by the court and becomes final, State Farm will pay \$15 million into a settlement fund. After payment of Class Counsel's fees and litigation expenses and the costs of administering the settlement, the settlement administrator will distribute the remaining amounts to settlement class members.

Payments to class members will be based upon a percentage of the adjustments at issue in this lawsuit. The amount received by class members will vary based upon the amount of the adjustments at issue that were used in valuing their total loss vehicles.

It is estimated that the amounts to be paid to most class members will be between \$100 and \$1000.

6. How do I participate in the settlement? How do I make a claim?

Class members do not have to do anything to participate in the settlement. State Farm and Class Counsel will calculate the amount that is owed to class members, and the settlement administrator will send out the checks.

If you owe money on the total loss vehicle for which you are receiving a settlement check (for example, because you financed the total loss vehicle and still owe money to your lender on the loan for the total loss vehicle), or someone else has a financial interest in your claim (such as a lessor), you will need to let the settlement administrator know so that the check can be made jointly to you and any other entity with an interest in your claim. *If this is the case, you MUST contact the settlement administrator at [number] to give us the proper information.*

EFFECT OF REMAINING IN THE SETTLEMENT CLASS

7. What happens if I do nothing and stay in the settlement class? What claims am I giving up?

If you do not exclude yourself from the class (see Question 10), you will be included in the settlement class and you will be bound by the settlement and the judgment in the lawsuit.

By remaining in the settlement class, you give up all rights to sue State Farm or the Released Parties for any and all claims that you may have or may acquire arising out of or related to State Farm's use of the computerized valuation reports at issue in the lawsuit.

This is a broad general release. It includes all claims that were asserted in the lawsuit, as well as claims that could have been asserted, including, without limitation, breach of contract, negligence, breach of fiduciary duty, bad faith, fraud, unfair business practices, unfair competition, deceptive trade practices, conspiracy, concert of action, and violation of any statute or regulation. It includes all types of relief that could be sought, including, without limitation, actual damages, exemplary and punitive damages, statutory damages, penalties, property damage, personal injuries, emotional distress, loss of wages, income, earning, and earning capacity, economic or business losses, restitution, disgorgement of profits, prejudgment and postjudgment interest, and injunctive or declaratory relief.

The release includes both known and unknown claims. Class members expressly waive any and all rights that they may have under any law that would limit the release to claims actually known or suspected to exist at the time of the settlement, including the provisions of Section 1542 of the California Civil Code, which provides as follows: "GENERAL RELEASE-CLAIMS EXTINGUISHED. A GENERAL RELEASE DOES NOT EXTEND TO CLAIMS WHICH THE CREDITOR DOES NOT KNOW OR SUSPECT TO EXIST IN HIS FAVOR AT THE TIME OF EXECUTING THE RELEASE, WHICH IF KNOWN BY HIM MUST HAVE MATERIALLY AFFECTED HIS SETTLEMENT WITH THE DEBTOR."

8. Who are the Released Parties?

The Released Parties are State Farm, Mitchell International, Inc., J.D. Power & Associates, State Farm Insurance Agents, independent or contract vehicle repair shops consulted by State Farm, and each of

UNITED STATES DISTRICT COURT – NORTHERN DISTRICT OF CALIFORNIA

their current and former agents, employees, officers, directors, attorneys, owners, shareholders, policyholders, associated and affiliated companies, parents, divisions, subsidiaries, successors, assigns, reinsurers, and liability insurance carriers.

OTHER PROVISIONS OF THE SETTLEMENT

9. Are there any other provisions of the settlement?

State Farm also agrees that, with respect to claims administered in California, within 30 days after the settlement agreement becomes final, the company that provides it with computerized, total loss, comparable vehicle valuation reports used in California will use any one or some combination of the following for comparable vehicles: (i) the high point of sales price ranges obtained from vehicle license fee data maintained by the California Department of Motor Vehicles, or (ii) actual sales prices from other sources, or (iii) the asking price of advertised vehicles. State Farm will continue to do so until a change in California law requires or permits use of a different method of computation or State Farm is instructed to use a different method of computation by the California Department of Insurance or any court of law.

EXCLUDING YOURSELF FROM THE SETTLEMENT CLASS

10. What **MUST** I do if I do NOT want to be in the settlement class?

You may request to be excluded from the settlement class by mailing a written request to be excluded, postmarked on or before _____, 2010, to the following:

[Administrator]

A request for exclusion must include your full name, address, and phone number, the statement "I wish to be excluded from the proposed class," and your signature. A valid and timely request for exclusion made by any co-insured on an insurance policy binds all other co-insureds on the same insurance policy.

If you do NOT timely request exclusion, you will be automatically included in the settlement class and bound by any judgment in the lawsuit. If you timely request exclusion, you will retain any legal rights you may have, but you will not receive any money from the settlement.

If you want to remain a member of the settlement class, and possibly receive compensation under the settlement, you should NOT request exclusion.

COMMENTING ON THE SETTLEMENT/FAIRNESS HEARING

11. Can I object to or comment on the settlement?

The settlement must be approved by the court. If you do not request exclusion from the settlement class, you may object to the settlement and/or comment on the settlement. Written objections must include a detailed description of the nature and basis for each objection, your name, address and telephone number and, if represented by personal counsel, your counsel's name, address, and telephone number. Written objections must be mailed to [Administrator], postmarked on or before [date], and will be filed by the settlement administrator with the court.

12. What is the difference between objecting to the settlement and excluding myself from the settlement class?

An objection to the settlement is made when you wish to remain a settlement class member and be subject to the settlement, but disagree with some aspect of it. In contrast, an exclusion means that you are no longer a settlement class member (see Question 10) and you lose any right to object to the settlement because the case no longer affects you.

13. What is the "Fairness Hearing?"

The settlement will not become final unless and until the court finds that it is fair, reasonable and adequate and approves it. The court will hold a hearing (known as a "Fairness Hearing") to assist it in making this determination.

UNITED STATES DISTRICT COURT – NORTHERN DISTRICT OF CALIFORNIA

14. When and where will the Fairness Hearing take place?

The Fairness Hearing will take place at __:00 a/p.m. on _____, 2010, at the United States District Court House, United States Courthouse [address].

15. Must I attend the fairness hearing?

No. Class members who support the settlement do not need to appear or take any action to indicate their approval. Class Counsel will answer the court's questions on your behalf. If you or your personal attorney still want to attend the hearing, you are more than welcome to do so at your own expense. However, it is not necessary that either of you attend.

You may also attend in person or through your attorney to object to the settlement and/or comment on the settlement, but it is not necessary that you do so. Timely, written objections will be considered by the court. (See Questions 11 - 12.) If you want to attend the hearing, you must notify the settlement administrator by letter, postmarked on or before [date], to [Administrator]. The letter should give your full name and address and, if you will be represented by an attorney, your attorney's name and address. The notice must describe in full the basis for your opposition to the settlement and attach any documents you want to present to the court. If you intend to call witnesses, you must provide their names and addresses in your notice of intent to appear. All written notices of intent to appear will be filed by the settlement administrator with the court.

THE LAWYERS REPRESENTING YOU

16. Do I have a lawyer representing my interests in this case?

The court has appointed the following attorneys as Class Counsel to represent the settlement class: David M. Birka White of Birka White Law Offices, and Robert J. Nelson, of Lieff, Cabraser, Heimann & Bernstein, LLP. These lawyers are familiar with the issues raised in this lawsuit and can answer any questions you may have regarding the lawsuit or the settlement. Their contact information is provided below. You do not need a separate attorney to opt out of the class, object to the settlement, or participate in the settlement. However, you are free to consult with and appear by your own attorney, at your expense.

17. How will the lawyers and class representatives be compensated?

The court will determine how much Class Counsel will be paid for fees and expenses. Class Counsel will not seek an award of fees greater than 30 percent of the total settlement fund (or \$4.5 million), and will seek an award of their expenses incurred in connection with litigating this lawsuit in an amount no greater than \$400,000 as documented to the Court. The fees and expenses will be paid out of the settlement fund and you will not be responsible for direct payment of Class Counsel's fees and expenses.

In addition, Class Counsel may petition the court for payment of an award from the settlement fund, in an amount not to exceed \$20,000, to compensate the plaintiff in the lawsuit for her time and effort.

ADDITIONAL INFORMATION

18. What if I have a question?

If you have a question, you may call the settlement administrator at [number] or write the settlement administrator at the following address: [address]

You may also contact Class Counsel at [contact information for both counsel].

PRELIMINARY APPROVAL ORDER

Upon considering the Motions for Preliminary Approval of Class Settlement, Settlement Notice and Related Matters, filed by Plaintiff and defendant State Farm Mutual Automobile Insurance Company, seeking preliminary approval of the proposed Settlement Agreement, together with all of its Exhibits attached thereto, dated [date] (the "Agreement"), and on considering the record of these proceedings, the representations, argument, and recommendation

1 of counsel for the moving parties, and the requirements of law, the Court finds that (1) this Court
2 has jurisdiction over the subject matter and parties to this proceeding; (2) the proposed Class
3 meets the requirements of Federal Rule of Civil Procedure 23 and should be certified for
4 purposes of settlement only and the persons and entities set forth below should be appointed
5 Class Representative and Class Counsel; (3) the Agreement is the result of arms-length
6 negotiations between the parties; (4) the Agreement is not the result of collusion; (5) the
7 Agreement bears a probable, reasonable relationship to the claims alleged by the Plaintiff and the
8 litigation risks of State Farm; (6) the Agreement is within the range of possible judicial approval;
9 (7) the proposed Settlement Notice substantially in the form attached as Exhibit 1 to the
10 Agreement and the proposed Notice Plan set forth in the Agreement will provide the best
11 practicable notice to the putative Class under the circumstances, satisfying the requirements of
12 due process; (8) reasonable cause exists to conduct a hearing, pursuant to Federal Rule of Civil
13 Procedure 23(e) to consider whether the Agreement is fair, reasonable and adequate and whether
14 it should be approved pursuant to Rule 23 of the Federal Rules of Civil Procedure; and (9) the
15 other related matters pertinent to the preliminary approval of the Agreement should also be
16 approved.

17 IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

18 1. As used in this Preliminary Approval Order, capitalized terms shall have the
19 definitions and meanings accorded to them in the Agreement.

20 2. The Court has jurisdiction over the subject matter and parties to this proceeding
21 pursuant to 28 U.S.C. § 1332.

22 3. Venue is proper in this district.

23 4. The Court finds, for settlement purposes only, that the Federal Rule of Civil
24 Procedure 23 factors are present and that certification of the proposed Settlement Class, as
25 defined and set forth below, is appropriate under Rule 23. The Court, therefore, certifies the
26 following "Settlement Class": Any and all persons insured under a State Farm vehicle insurance
27 policy who received a first party total loss comprehensive or collision payment on a claim
28

1 administered in California, based in whole or in part on a Total Loss Comparable Vehicle
2 Valuation Report that used a Projected Sold Adjustment and/or Age of Ad Adjustment.

3 (a) “State Farm” means State Farm Mutual Automobile Insurance Company
4 and/or State Farm Fire and Casualty Insurance Company.

5 (b) “Total Loss Comparable Vehicle Valuation Report” means a report
6 generated by a computerized system that values a Total Loss Vehicle by identifying
7 comparable vehicles and making adjustments to either the asking or selling price of such
8 vehicles in an attempt to determine the actual cash value of the Total Loss Vehicle at the
9 time of loss. Total Loss Comparable Vehicle Valuation Reports do not include either
10 appraisals or reports that use dealer quotes.

11 (c) “Projected Sold Adjustment” means an adjustment to the asking price of
12 comparable vehicles used in Total Loss Comparable Vehicle Valuation Reports provided
13 by Mitchell to State Farm in California to reflect the price for which that comparable
14 vehicle was projected to sell.

15 (d) “Age of Ad Adjustment” means the adjustment to comparable vehicles
16 used in Total Loss Comparable Vehicle Valuation Reports provided by Mitchell to State
17 Farm in California, to account for depreciation of a vehicle between the time that it is
18 listed for sale and the date of loss.

19 (e) “Total Loss Vehicle” means a vehicle owned by a person within the
20 Settlement Class that was determined by State Farm to be a total loss.

21 5. Specifically, the Court finds for settlement purposes only that the proposed
22 Settlement Class described above satisfies the following factors of Federal Rule of Civil
23 Procedure 23:

24 (a) Numerosity: In this case, thousands of individuals and/or entities have
25 potential claims. Thus, the Rule 23(a)(1) numerosity requirement has been met.

26 (b) Commonality: The threshold for commonality under Rule 23(a)(2) is not
27 high and a single common issue will suffice. In this case, Plaintiff alleges that State
28 Farm’s use of a Projected Sold Adjustment and/or Age of Ad Adjustment violated Title

1 10 of California Code of Regulations § 2695.8 (the “Total Loss Regulation” or “TLR”),
2 an allegation that is denied by State Farm. This issue is common to the Settlement Class.

3 (c) Typicality: The Plaintiff’s claims are typical of those of the Settlement
4 Class and satisfy Rule 23(a)(3).

5 (d) Adequacy: There are no disabling conflicts of interest between the
6 Plaintiff and Settlement Class Members and the Plaintiff has retained competent counsel
7 to represent the Settlement Class. Class Counsel regularly engage in complex litigation
8 similar to the present case and have dedicated substantial resources to the prosecution of
9 this matter. The adequacy requirement is satisfied.

10 (e) There is predominance and superiority. The common legal and factual
11 issue listed is predominant of all claims in the litigation. Resolution of the common
12 question constitutes a significant part of Plaintiff’s and Settlement Class Members’ claim.
13 Further, because the Settlement Class is being certified for purposes of settlement only,
14 the Court need not consider factors, if any, that might render a class action unmanageable
15 and which might otherwise destroy superiority so as to preclude certification of a class
16 for trial.

17 6. In the interest of clarity, the Court notes that the Court makes the findings set
18 forth above regarding certification of the proposed Settlement Class subject to the provision in
19 the Agreement which provides for restoring the Parties to their positions as of October 29, 2009
20 if the settlement is not consummated. The Court’s findings regarding the class certification
21 requirements of Rule 23 are subject to the Fairness Hearing and are done without prejudice to the
22 facts, record, and argument that will be before the Court in connection with any class proposed
23 for litigation of any remaining claims in the case against any other party.

24 7. The Court appoints the following person as Class Representative: Arnesha M.
25 Garner.

26 8. The Court appoints the following persons as Class Counsel: David M.
27 Birka-White of Birka-White Law Offices, and Robert J. Nelson, of Lieff, Cabraser, Heimann &
28 Bernstein, LLP.

1 9. The Court preliminarily approves the Agreement, together with all of its Exhibits,
2 attached hereto as Exhibit A, as being fair, reasonable and adequate, entered into in good faith,
3 free of collusion, and within the range of possible judicial approval.

4 10. The Court approves the form and content of the Settlement Notice, substantially
5 in the form attached as Exhibit 1 to the Agreement. This Court finds that the Notice Plan,
6 described in section 5 of the Agreement, is the best practicable under the circumstances. The
7 Notice Plan is reasonably calculated to apprise the Settlement Class Members of class
8 certification, as well as the proposed Settlement and Class Counsel's application for fees and
9 expenses, and constitutes sufficient notice to all persons entitled to notice. The Notice Plan
10 satisfies all applicable requirements of law, including, but not limited to, Rule 23 of the Federal
11 Rules of Civil Procedure and the Constitutional requirement of due process.

12 11. The Court directs that Rust Consulting, Inc. act as the Administrator (as defined
13 in the Agreement) and directs the Administrator to disseminate the Settlement Notice in the
14 following manner, which satisfies the requirements of Federal Rule of Civil Procedure 23 and
15 due process:

16 (a) Within 25 days following entry of the Preliminary Approval Order, the
17 Administrator shall mail, or cause to be mailed, copies of the Settlement Notice, by first
18 class United States mail, postage prepaid, to all potential Settlement Class Members at
19 the most recent address obtained by the methods described in the Agreement. The Court
20 finds that the procedures provided for in the Agreement constitute an appropriate effort to
21 locate current addresses for Settlement Class Members. No additional efforts are
22 required.

23 (b) The Administrator shall create and manage a toll free number with an
24 automated system providing information about the Agreement, with the ability to request
25 copies of the Settlement Notice or the Agreement, and to speak with live operators.

26 12. Rust Consulting, Inc. is directed to perform all other responsibilities under the
27 Notice Plan assigned to the Administrator in the Agreement.
28

1 13. The Court directs that a hearing be scheduled for _____, 2010, at ____
2 o'clock ____m. (the "Fairness Hearing") to assist the Court in determining whether the Settlement
3 provided for in the Agreement is fair, reasonable and adequate; whether Final Judgment should
4 be entered dismissing with prejudice the above-captioned action and any other actions by
5 Settlement Class Members pending before this Court; and whether Class Counsel's application
6 for fees and expenses should be approved.

7 14. The Court further directs that any Settlement Class Member who objects to the
8 Agreement must mail his, her or its objection to the Administrator postmarked by the U.S. Postal
9 Service on or before the Objection Deadline. Objections must be in writing and must provide a
10 detailed description of the nature and basis for each objection, the Settlement Class Member's
11 name, address and telephone number and, if represented by personal counsel, counsel's name,
12 address, and telephone number. Prior to the Fairness Hearing, the Administrator will file with
13 the Court any timely objections received, and will promptly provide unredacted copies of any
14 timely objections received to Class Counsel and State Farm.

15 15. The Court further directs that any Settlement Class Member may appear at the
16 Fairness Hearing, either in person or through personal counsel, retained at the Settlement Class
17 Member's expense, to voice an objection to the Settlement or to Class Counsel's application for
18 fees and expenses, only if the Settlement Class Member has made a timely written objection
19 postmarked by the U.S. Postal Service on or before the Objection Deadline. Settlement Class
20 Members or their attorneys who wish to appear at the Fairness Hearing must make such a request
21 in writing and mail it to the Administrator prior to the Objection Deadline. The written request
22 to appear must include the name, address and telephone number of the person who will appear at
23 the Fairness Hearing and a copy of the written objection to the Settlement. Prior to the Fairness
24 Hearing, the Administrator will file with the Court any timely written requests to appear
25 received, and will promptly provide unredacted copies of any timely written requests to appear
26 received to Class Counsel and State Farm.

27 16. The Court further directs that any person within the Settlement Class definition
28 who wishes to be excluded from the Settlement Class must mail a written Request for Exclusion

1 to the Administrator postmarked by the U.S. Postal Service on or before the Opt Out Deadline.
2 Any Request for Exclusion must be signed by the person seeking exclusion, or the authorized
3 representative of an entity seeking exclusion, and must clearly state his, her or its desire to be
4 excluded from the Settlement Class, and include his, her or its name, address and telephone
5 number. Any person within the Settlement Class definition who mails a Request for Exclusion
6 to the Administrator may withdraw such Request for Exclusion, and thus elect to be included as
7 a Settlement Class Member, at any time prior to the Opt-Out Deadline.

8 17. The names, addresses, telephone numbers, and any other personal identifying
9 information of all potential Settlement Class Members and Settlement Class Members shall be
10 kept confidential by the Administrator and not disclosed to any person except as ordered by the
11 Court upon good cause shown and shall be used only for the purposes of this Agreement.
12 Whenever in a report, the Administrator or any other Party needs to identify a specific claim, it
13 can refer to the claim by State Farm Claim Number, which is not required to be redacted from
14 publicly available documents.

15 18. The Court further directs the Administrator to file with the Court a report on
16 efforts undertaken to implement the Notice Plan on or before the Fairness Hearing. Copies shall
17 be provided to Class Counsel and State Farm.

18 19. The cost of providing Notice, as provided for by this Order and the Agreement,
19 shall be paid from the Gross Settlement Fund.

20 20. The Court further directs the Administrator to promptly provide unredacted
21 copies of any Requests for Exclusion, and any withdrawals thereof, to State Farm and Class
22 Counsel. On the date of the Fairness Hearing, the Administrator will submit to the Court, under
23 seal, a report identifying all persons making Requests for Exclusion that were not thereafter
24 timely withdrawn and the date on which each request was postmarked (or if there is no legible
25 postmark date, the date received by the Administrator). A copy of the report will be provided to
26 State Farm and Class Counsel, who will keep the report confidential.

27 21. The Court further directs that, pending final determination of whether the
28 Agreement should be approved, neither the Plaintiff, nor any Settlement Class Member, either

1 directly, representatively, or in any other capacity, shall commence or prosecute any action or
2 proceeding in any court or tribunal asserting any of the Released Claims (as defined in the
3 Agreement) against the Released Parties (as defined in the Agreement).

4 22. Neither the Agreement, nor any exhibit, document or instrument delivered
5 thereunder shall be construed as or deemed to be evidence of an admission or concession by
6 State Farm or the Released Parties of an interpretation of, or course of conduct in connection
7 with, the policy language and forms of the Subject Insurance Policies, or of any liability or
8 wrongdoing by State Farm, or of the truth of any allegations asserted by Plaintiff, Settlement
9 Class Members or any other person.

10 23. The Court finds that the Agreement, along with all related drafts, motions, court
11 papers, conversations, negotiations, mediations and correspondence, including statements made
12 in mediations or written submissions to the mediator, constitute an offer to compromise and a
13 compromise within the meaning of Federal Rule of Evidence 408, California Rule of Evidence
14 1152 and any equivalent rule of evidence of any state; and are privileged pursuant to Section
15 1119 of the California Evidence Code.

16 24. Except as provided in paragraph 25, neither the Agreement, approved or not
17 approved, nor any exhibit, document or instrument delivered thereunder, nor any statement,
18 transaction or proceeding in connection with the negotiation, execution or implementation of the
19 Agreement, shall be admissible in evidence in this or any other proceeding for any purpose,
20 including as evidence of an interpretation of, or course of conduct in connection with, the policy
21 language and forms of the Subject Insurance Policies. Without limitation of the foregoing,
22 nothing contained in the Agreement, approved or not approved, nor any exhibit, document or
23 instrument delivered hereunder, nor any statement, transaction or proceeding in connection with
24 the negotiation, execution or implementation of the Agreement, shall be given any form of res
25 judicata, collateral estoppel or judicial estoppel effect against State Farm or the Released Parties
26 in any administrative or judicial forum or proceeding.

1 25. Notwithstanding the foregoing, the Agreement, any order granting preliminary or
2 final approval of the Agreement and any appellate decision affirming Final Judgment is
3 admissible as follows.

4 (a) The Agreement is admissible by any Party for the purpose of obtaining
5 approval of, implementing and/or enforcing the Agreement.

6 (b) The Agreement, any order granting preliminary or final approval to the
7 Agreement, any appellate decision affirming Final Judgment, and any proceedings and
8 submissions in connection with this Agreement are admissible for purposes of
9 determining Class Counsel's application for attorneys' fees and costs or in connection
10 with any appeal of an award of Class Counsel's attorneys' fees and costs in this Action.

11 (c) If finally approved, the Agreement, any order granting preliminary or final
12 approval to the Agreement and any appellate decision affirming any order of this Court
13 with respect to the Agreement, may be pleaded by State Farm or the Released Parties as a
14 full and complete defense (including any defense based upon release, res judicata, or
15 injunction) to any action, suit or other proceeding that has been or may be instituted,
16 prosecuted or attempted with respect to any of the Released Claims; and the Agreement,
17 any order granting preliminary or final approval to the Agreement and any appellate
18 decision affirming this Final Judgment, or any other proceedings in connection therewith,
19 may be filed, offered or submitted by State Farm or the Released Parties or otherwise
20 used in support of such defense.

21 (d) If finally approved, the Agreement, any order granting preliminary or final
22 approval to the Agreement, any appellate decision affirming Final Judgment, any
23 proceedings in connection with the Agreement, or any action by the California
24 Department of Insurance regarding the Agreement, may be filed, offered or submitted
25 only by State Farm or the Released Parties as evidence that the action that State Farm
26 agrees to undertake in section 11 of the Agreement is fair and reasonable and complies
27 with the TLR.
28

26. If the Settlement Agreements is not approved, or the Effective Date does not occur, or the Agreement is terminated pursuant to its terms, then (a) all parties will be restored to their respective positions in this litigation as they were on October 29, 2009; (b) all parties will proceed in all respects as if the Agreement (except those provisions that, by their terms, expressly survive disapproval or termination of the Settlement) had not been executed and the related orders and judgment had not been entered, preserving in that event all of their respective claims and defenses in the Action; and (c) all releases given will be null and void. In such an event, this Court's orders regarding the Settlement, including this Preliminary Approval Order, shall not be used or referred to in litigation for any purpose whatsoever.

27. The Court further directs that the following deadlines are established by this Preliminary Approval Order:

CASE NO. CV 08 1365 CW (EMC)

FINAL ORDER AND JUDGMENT

Having considered all motions, memoranda and submissions made in connection with the proposed class action settlement agreement, together with all of its Exhibits attached thereto, dated [date], (the "Agreement"), and the record of these proceedings, the representations, argument, and recommendation of counsel for the moving parties, and the requirements of law;

IT IS HEREBY ORDERED, ADJUDGED AND DECREED that:

1 1. The definitions and terms set forth in the Agreement are hereby adopted and
2 incorporated into this Final Order and Judgment.

3 2. The Court has jurisdiction over the subject matter and parties to this proceeding
4 pursuant to 28 U.S.C. § 1332.

5 3. Venue is proper in this district.

6 4. This Court incorporates into this Final Judgment its prior rulings in this Action,
7 including the following:

8 (a) On June 30, 2008, this Court entered an order granting the motion to
9 compel an appraisal filed by Defendant State Farm Mutual Automobile Insurance
10 Company (“State Farm”). This Court held that State Farm “had the contractual right to
11 demand an appraisal, and Plaintiff had the contractual obligation to proceed with the
12 appraisal process. Pursuant to the terms of the contract, this was a precondition to
13 Plaintiff’s filing a lawsuit.” (Docket 47, June 30, 2008 Order at 14-15.) This Court
14 further found that the appraisal process provided for in State Farm’s insurance policy was
15 not one-sided, was sanctioned by state statute and was not unconscionable. (*Id.* at
16 18-19.)

17 (b) On March 23, 2009, this Court entered an order denying State Farm’s
18 motion for summary judgment and granting Plaintiff’s cross-motion for summary
19 adjudication, holding that the TLR was in effect during the relevant time frame.
20 (Docket 159, March 23, 2009 Order at 17-19.) In its March 23, 2009 Order, this Court
21 found that the “CDI [had] informed Mitchell that the agency would be satisfied if
22 Mitchell used the midpoint of the [DMV VLF Data] range in conducting [total loss]
23 valuations.” (*Id.* at 10.) The Court further found that “the \$200 dollar range of sales
24 prices that can be derived from the DMV’s VLF codes constitute[d] sales price data” that
25 could be used by insurers as actual sales price data for comparable vehicles in performing
26 total loss valuations pursuant to the TLR. The Court noted that “the CDI takes the
27 position that VLF data relates to ‘actual sales prices,’ and thus can be used to conduct
28 valuations in accordance with the TLR,” that CDI had indicated that the mid-range of the

1 VLF Data could be used, and that “the \$200 [VLF] range . . . is suitable and is accepted
2 by the agency in charge of enforcing the TLR.” (*Id.* at 13.)

3 5. The Court hereby confirms its prior findings regarding certification of the
4 Settlement Class for settlement purposes only pursuant to Federal Rule of Civil Procedure 23.

5 6. The Court reconfirms the appointment of the following person as Class
6 Representative: Arnesha M. Garner.

7 7. The Court reconfirms the appointment of the following attorneys as Class
8 Counsel: David M. Birka-White of Birka-White Law Offices, and Robert J. Nelson, of Lieff,
9 Cabraser, Heimann & Bernstein, LLP.

10 8. The Court reconfirms the appointment of Rust Consulting, Inc. as the
11 Administrator.

12 9. The Court finds that the Settlement Notice and Notice Plan as carried out by the
13 Administrator complied with this Court’s Preliminary Approval Order dated [date] and satisfied
14 the requirements of Federal Rule of Civil Procedure 23(e) and due process. This Court has
15 previously held the Notice Plan to be the best practicable under the circumstances. The Court
16 ordered notice by mail to identifiable Settlement Class Members and finds that such notice was
17 reasonably calculated to apprise the Settlement Class Members of class certification, the
18 proposed Settlement and Class Counsel’s application for fees and expenses, constituted
19 sufficient notice to all persons entitled to notice, and satisfied all applicable requirements of law,
20 including, but not limited to, Rule 23 of the Federal Rules of Civil Procedure and the
21 Constitutional requirement of due process. The Settlement Notice clearly and concisely
22 informed Settlement Class Members of the relevant aspects of the litigation and the Settlement,
23 including: (i) the definition of who is a Settlement Class Member; (ii) the history of the
24 litigation; (iii) the terms of the Settlement; (iv) the binding effect of any judgment for those
25 persons who are Settlement Class Members; (v) the right of Settlement Class Members to
26 request exclusion (opt out) from the Settlement Class and the procedures and deadlines for doing
27 so; (vi) the right of Settlement Class Members to object to any aspect of the Settlement and/or to
28 appear at the Fairness Hearing and the procedures and deadlines for doing so; (vii) the date, time,

1 and location of the Fairness Hearing; (viii) how to obtain additional information; (ix) the benefits
2 of the Settlement and how to participate in the Settlement; and (x) information on Class
3 Counsel's fees and expenses.

4 10. The Court holds that the notice provisions set forth under the Class Action
5 Fairness Act, 28 U.S.C. § 1715, were complied with in this case.

6 11. The Court approves the Agreement, all terms of which are incorporated herein by
7 reference, as being fair, adequate, and reasonable and in the best interests of the Settlement
8 Class, satisfying Federal Rule of Civil Procedure 23(e) and the fairness and adequacy factors of
9 this Circuit.

10 12. In the Agreement, State Farm agrees that, with respect to claims administered in
11 California, within thirty (30) days following the Effective Date, Mitchell (or any other total loss
12 vendor that State Farm may in the future use) will use any one or some combination of the
13 following for comparable vehicles used by Mitchell (or any other total loss vendor) when
14 preparing a Total Loss Comparable Vehicle Valuation Report for State Farm: (i) the high point
15 of VLF Data obtained from the DMV, or (ii) actual sales prices from other sources compliant
16 with the TLR, or (iii) the asking price of advertised vehicles (without a projected sold or age of
17 ad adjustment). State Farm will continue to require the company that provides it with Total Loss
18 Comparable Vehicle Valuation Reports in California to use either the high point of DMV VLF
19 Data, or actual sales prices from other sources compliant with the TLR, or the asking price of
20 advertised vehicles (without a projected sold or age of ad adjustment), or a combination thereof,
21 when preparing a Total Loss Comparable Vehicle Valuation report for use by State Farm in
22 California in connection with vehicle total loss claims made under the Physical Damages
23 Coverages of automobile policies administered in California until (1) a change in the law
24 (including, without limitation, any changes to applicable regulations, case law or CDI statements
25 interpreting those regulations, or constitutional challenges to the validity of the regulations)
26 requires or permits use of a different method of computation, or (2) State Farm is instructed to
27 use a different method of computation by the CDI or any court of law.

28

1 13. The Settlement of this Action on the terms and conditions set forth in the
2 Agreement is approved and confirmed in all respects as fair, reasonable and adequate under
3 Federal Rule of Civil Procedure 23, and in the best interest of the Settlement Class and
4 Settlement Class Members, especially in light of the benefits to the Settlement Class and the
5 costs and risks associated with the complex proceedings necessary to achieve a favorable result
6 at trial and through any post-judgment appeals. Class Counsel and State Farm are directed to
7 consummate the Settlement in accordance with the Agreement.

8 14. The Court directs Rust Consulting, Inc. to perform the responsibilities of the
9 Administrator as set forth in the Agreement.

10 15. Upon the Effective Date of the Agreement, each Settlement Class Member fully
11 releases and discharges each Released Party (as defined below) from any and all of the Released
12 Claims (as defined below).

13 (a) “Released Claims” means any and all claims that Settlement Class
14 Members may have or may acquire against the Released Parties, or any of them, arising
15 out of or related to State Farm’s use of the Subject Valuation Reports, including without
16 limitation, all claims for damages or remedies of whatever kind or character, known or
17 unknown, that are now recognized by law or that may be created or recognized in the
18 future by statute, regulation, judicial decision, administrative adjudication, or in any other
19 manner, including without limitation for actual damages, exemplary and punitive
20 damages, statutory damages, penalties of any kind, property damage, personal injuries,
21 emotional distress, loss of wages, income, earning, and earning capacity, economic or
22 business losses, restitution, disgorgement of profits, prejudgment and postjudgment
23 interest, injunctive or declaratory relief, and any other losses or detriment of any kind.
24 Without limiting the foregoing, Released Claims include any and all claims for breach of
25 contract, negligence, breach of fiduciary duty, bad faith, fraud, unfair business practices,
26 unfair competition, deceptive trade practices, conspiracy, concert of action, violations of
27 any statute or regulation and all claims that were or could have been asserted in the
28 Action.

(b) “Subject Valuation Report” means a Total Loss Comparable Vehicle Valuation Report provided by Mitchell to State Farm that included a Projected Sold Adjustment and/or Age of Ad Adjustment and which was used by State Farm to make a payment to a Settlement Class Member under the comprehensive or collision provisions of a Subject Insurance Policy (and not pursuant to uninsured or underinsured motorist coverage).

(c) The “Released Parties” are State Farm, Mitchell, J.D. Power & Associates, and each of their current and former agents, employees, officers, directors, attorneys, owners, shareholders, policyholders, associated and affiliated companies, parents, divisions, subsidiaries, successors, assigns, reinsurers, and liability insurance carriers. To the extent of their liability for the alleged acts or omissions giving rise to the Released Claims, “Released Parties” also means State Farm Insurance Agents, and independent or contract vehicle repair shops consulted by State Farm, together with each of the foregoing’s current and former agents, employees, officers, directors, attorneys, owners, shareholders, associated and affiliated companies, parents, divisions, subsidiaries, successors, assigns, and insurers.

16. Upon the Effective Date of the Agreement, each Settlement Class Member shall be deemed to acknowledge and agree that the Released Claims may include claims that Settlement Class Members do not know or suspect to exist in their favor at the time of the release of the Released Parties and which, if known by them, might have affected their decision to settle and release the Released Claims or take any other action, including, but not limited to, the decision not to object to the Agreement. Upon the Effective Date of the Agreement, Settlement Class Members expressly waive any and all rights that they may have under any statute, regulation, administrative adjudication, or common law principle that would limit the effect of the Release provided in the Agreement to the claims actually known or suspected to exist at the time of the Agreement, including the provisions of Section 1542 of the California Civil Code.

17. Each Settlement Class Member who negotiates (i.e., cashes, deposits or endorses) the check sent to him, her or it pursuant to the Distribution Plan, shall be deemed to represent

1 and warrant that he, she or it does not owe any money to any person or entity who provided
2 financing for, the Total Loss Vehicle that was the subject of the claim for which he, she or it is
3 receiving a payment pursuant to the Settlement or to any other person or entity with a security
4 interest in the Total Loss Vehicle, a lessor of the Total Loss Vehicle, or a lien on any insurance
5 payments that the Settlement Class Member may receive for such Total Loss Vehicle. The
6 Supplemental Notice will advise Settlement Class Members of this provision of the Settlement
7 and that, if they cannot make this representation and warranty, they should contact the
8 Administrator, who will re-issue payment jointly to the Settlement Class Member and any
9 relevant lender, lien holder or lessor. The Supplemental Notice will advise Settlement Class
10 Members that knowingly making a false representation may constitute fraud.

11 18. Each Settlement Class Member who cashes, deposits, endorses, or otherwise
12 negotiates any check from the Administrator for his, her or its share of the Net Settlement Fund
13 will be deemed to have agreed to hold harmless and indemnify the Released Parties from any
14 and all liens, assignments, subrogation, encumbrances, garnishments, security interests or any
15 other legally perfected right of another person with respect to any amounts to be paid to that
16 Settlement Class Member by State Farm as a result of the Agreement.

17 19. By entry of this Final Judgment, each Settlement Class Member is hereby forever
18 barred and permanently enjoined from commencing, filing, initiating, instituting, prosecuting,
19 maintaining, or consenting to any action against the Released Parties with respect to the
20 Released Claims.

21 20. Neither the Agreement, nor any exhibit, document or instrument delivered
22 thereunder shall be construed as or deemed to be evidence of an admission or concession by
23 State Farm or the Released Parties of an interpretation of, or course of conduct in connection
24 with, the policy language and forms of the Subject Insurance Policies, or of any liability or
25 wrongdoing by State Farm, or of the truth of any allegations asserted by Plaintiff, Settlement
26 Class Members or any other person.

27 21. The Court finds that the Agreement, along with all related drafts, motions, court
28 papers, conversations, negotiations, mediations and correspondence, including statements made

1 in mediations or written submissions to the mediator, constitute an offer to compromise and a
2 compromise within the meaning of Federal Rule of Evidence 408, California Rule of Evidence
3 1152 and any equivalent rule of evidence of any state; and are privileged pursuant to Section
4 1119 of the California Evidence Code.

5 22. Except as provided in paragraph 23, neither the Agreement, approved or not
6 approved, nor any exhibit, document or instrument delivered thereunder, nor any statement,
7 transaction or proceeding in connection with the negotiation, execution or implementation of the
8 Agreement, shall be admissible in evidence in this or any other proceeding for any purpose,
9 including as evidence of an interpretation of, or course of conduct in connection with, the policy
10 language and forms of the Subject Insurance Policies. Without limitation of the foregoing,
11 nothing contained in the Agreement, approved or not approved, nor any exhibit, document or
12 instrument delivered hereunder, nor any statement, transaction or proceeding in connection with
13 the negotiation, execution or implementation of the Agreement, shall be given any form of res
14 judicata, collateral estoppel or judicial estoppel effect against State Farm or the Released Parties
15 in any administrative or judicial forum or proceeding.

IMPORTANT LEGAL NOTICE

**State Farm California Policyholders Who Received a
Vehicle Total Loss Payment from State Farm in 2007 or 2008**

Notice of Distribution of Settlement Payments

*The Court has authorized this Notice. It is not a solicitation from a lawyer.
You are not being sued. Please read this entire notice carefully.*

You were previously notified of a settlement of a class action in the lawsuit known as *Garner v. State Farm*.

The settlement was approved by the court on [date] and is now final. Enclosed with this notice is a check made payable to [name] in the amount of [\$_____], which represents his, her, its or their share of the settlement fund.

By cashing, depositing, endorsing or otherwise negotiating the enclosed settlement check, you will be deemed to represent and warrant that:

- You do not owe any money to any person or entity who provided financing for the total loss vehicle that was the subject of the claim for which this payment is being made pursuant to the settlement, and
- You do not owe any money to any other person or entity with a security or a lessor's interest in the vehicle or a lien on any insurance payments that you may receive in connection with that vehicle.

If you cannot make both of these representations, you should call the Administrator at [number], so that the settlement check can be re-issued jointly to you and your lender, lien holder, or a lessor. Knowingly making a false representation in connection with an insurance claim may constitute fraud.

By cashing, depositing, endorsing, or otherwise negotiating this check, you agree to hold harmless and indemnify the Released Parties from any and all liens, assignments, subrogation, encumbrances, garnishments, security interests or any other legally perfected right of another person with respect to any amounts paid to you as a result of the settlement. The Released Parties are State Farm, Mitchell International, Inc., J.D. Power & Associates, State Farm Insurance Agents, independent or contract vehicle repair shops consulted by State Farm, and each of their current and former agents, employees, officers, directors, attorneys, owners, shareholders, policyholders, associated and affiliated companies, parents, divisions, subsidiaries, successors, assigns, reinsurers, and liability insurance carriers.

You are reminded that by remaining in the Settlement Class, you gave up all right to sue State Farm or the Released Parties for any and all claims that you may have or may acquire arising out of or related to State Farm's use of the computerized valuation reports at issue in the lawsuit.

The release given was a broad general release. It included all claims that were asserted in the lawsuit, as well as claims that could have been asserted, including, without limitation, breach of contract, negligence, breach of fiduciary duty, bad faith, fraud, unfair business practices, unfair competition, deceptive trade practices, conspiracy, concert of action, and violation of any statute or regulation. It included all types of relief that could be sought, including without limitation, actual damages, exemplary and punitive damages, statutory damages, penalties, property damage, personal injuries, emotional distress, loss of wages, income, earning, and earning capacity, economic or business losses, restitution, disgorgement of profits, prejudgment and postjudgment interest, and injunctive or declaratory relief. The release included both known and unknown claims.

If you have any questions, please contact the Administrator at [number]. Please do not contact your State Farm Insurance Agent of State Farm. The Administrator will be best able to help you with any questions about your settlement check.
